In Memoriam

We, the class of 1978, dedicate our annual to a friend and fellow classmate, Loren Schulz. Loren is remembered for his friendly, easy-going personality and as an outstanding member of the JHS wrestling team and JHS band. He received his varsity letter in wrestling in his eighth grade year. He was a active member in FFA and 4H also had 3 Presidential physical fitness awards. In October of 1975, Loren was in a fatal automobile accident. Loren is with us as we graduate, in our hearts and memories, and his spirit will remain with us always.

JACK HI TIMES

Volume XXX, Number 1 | Jackson High School, Jackson, Minnesota | Friday, September 30, 1988

Class of '78 Holds Ten Year Reunion

by Julie Handevidt and Deb Willett on special assignment to the Jack Hi Times

The first person that we bumped into was Rachel Sandum, our most honored class member, who had just recently found the cure for cancer. When asked how she accomplished such an extraordinary feat, Rachel replied, ''I just applied all that Mr. Ling taught me!''. Standing next to here were Tome Veverka, Nick VonOhlen and Dave Spencer, who had previously been working with Rachel but couldn't give up their late night dates for early morning working hours.

Next we found a group of wealthy looking agriculture men who had just finished parking their jet propelled tractors in the parking lot. They believe in ostentatious display! After all why pay $100,000.00 for a piece of equipment when no one can see it? In this group we noted George Benda, Dan Schley, Paul Vachuska, John Skrove, Stan Hanson and Jim Verchota. Latter that evening they were spotted singing ''We're in the Money!''.

Arriving at the Jackson Municipal Intergalatic Space Terminal from Galaxy 3-721 were Troy Christensen and Ben Fricke. Why were they up there? In search of new fuel supplies to keep the old '50 Ford running. Pioleting the starship was Col. Eddie (Bass) Grunst of the Federation Starfleet. Ed was assisted by co-piolot Jeff Blom. Both were trained under the supervision of Mr. John Wetzler.

Representing the military at our party was Lieutenant Kris Sangl, Col. Dwayne Smith and Five-Star General Kurt Walton. They made their entrance as ''The Star Spangled Banner'' was played. When Fran Conners reached to remove his hat, his toupe accidently slipped off into Barb Watters drink and caused quite a commotion.

Next we noted a group of active housepersons including Joan Crolius, Barb Tauer, Kim Sauer, Peg Nelson, Paula Vacek, Donna Lloyd and Shelley Miller. They all seemed quite happy with the way their lives had been going since graduation way back in good old '78.

Riding in form their ranches in southern Texas were the well known team of goat ropers Dale Schulz, Tim Grunst, Ron Bezdicek, Kevin Chrisopher and Jeff Heser. Latter we wondered why they all remained standing through the entire night. Could it have been due to saddle sores?

As we turned towards the crowed everyone seemed to be heading outside to watch Tom Burns, President of GMC, step out of his new cadillac limousine. Also pulling up at the same time was Jeff (Botulism Kid) Fiala, who is now serving 25-31 years in the State Penitentiary for food poisioning. He was captured by County Sheriff Sue Benjamin at Stan's Cafe. Sue was working undercover as a ''Botch narc'' when Jeff tryed to feed Teresa Garber poisoned BBQ. Luckily, Teresa was saved by Donna Lesch who noticed the smell of arsenic floating in the air.

Everyone was shocked to see that Steve solstad and Paula Schneider, nationally known hit persons for the mafia, made it to our gala event. Little did anyone realize that they were in hot pursuit of David Lovell, who is behind in his payments to Tim Helmers, local mafia godfather.

Autograph hounds were found swarming around modern day stars of the ''Roy Roders and Dayle Evans'' series, Sonja Dahlin and Jeff Jasper. Linda Svoboda, Darcy Hansen and Cathy Seller just could not believe Jeff and Sonja made it so big in Hollywood. Congratulations Jeff and Sonja!! Dairy Queen big wig, Dave Lusk, who now owns a chain of Dairy Queens behing the Iron Curtain made it to the party in time also. He caught a quick flight out of Czechoslovakia.

Top fashion designer, Jan Mueller, was preset and we noticed Caroly Krebs, Kristi Herrig, Deb Stade, Julie Larson, Kitty Birdsall, and Lisa Kuntz attired in Jan's lattest styles. It was rumored their hair was fixed by nationally known hair-stylist, Gayle Roesler, who had previously been working in the studios of MGM primping their famous lion's mane.

While there we talked to Janell Swanson who has been working in Bangledesh, helping to improve poverty conditions. Ann Pell, Mike Nielson, Colin Sirovy, Joan Dyslin and Vicke Skogen dropped in on their way back from Iowa. They met at the reunion earlier that evening and decided to relive old times down south.

The highlight of the evening was a play presented under the direction of Jack Farris which starred Martha Hinton and Rob Thompson.

The building in which we met was designed by world famous architect Doug Wachal and decorated by Chris Leach Enterprises. Mike Werner Construction built the meeting place. Employed by Mike are Bob Bosch, Rick Groshens, Bill Svoboda and Larye Wachal.

We noticed that Laurie Tange was able to break away from a recording session, just to be with us tonight. When she isn't spending time recording ne relases, she can be found in her home located in the backwood of Maine.

As Jolene Censky realized how late it was getting to be, she decided to depart. As she was walking out the door, Coke Bargfrede asked if she could bother Jo for a ride home. So ... as the two girls headed for the parking lot the noticed Greg Hartzler and Ken Ascheman slashing the tires of Steve Davidson's new jet powered Vett. Immediately they ran to the nearest vidiophone and called Police Chief Kevin Pribyl. He sent over Officers Dave Cushman, Kevin Lindsey, Bruge Kruger, and Dave Crawner. While waiting for the officers Brad Bellows, Steen Nitscke and Nick Huginin held the pair.

Olympic Gold Metal Winner, Sara Tufvesson, ran up from Mexico City (sight of the 1988 Olympics) to join us tonight. When we asked her how her legs felt, she said, ''They're a little tired, but ... that's the price you pay for having good legs.''.

Preparations for the party were made by the following: Elaine Harnden who was in charge of making the invitations; the designing and decorating of the party room were done by Jackie Lutterman and Lori Winthers; Pat Sprinkles was in charge of sending the invitations and making sure everyone would be able to attend. Also, Vickie Mosley took charge of finances; and Norma Walterman and Teresa Wintheiser were in charge of the evenings entertainment.

Catering the affair was the Mayflower Cafe, with waitresses Gloria Bullock, Lisa Erickson, and Teresa Halloran. Meat was donated by the ''Craven Chicken Farms'' and the ''Gazda Pork Producers'', and by ''Zevedee Beef, Inc.''.

Door prizes were provided by the local Sears Merchant, Lynelle Stehlik. Dave Gervais Jewelery Shoppe also donated gifts. Collecting money at the door were Becky Groshens, Patti Drahota and Diane Williams. Most thought that they would be best for the job because of all the past experience working at ''RedOOwl''. Music was supplied by the internationally known dance band ''Kalen's Carousers'' under the direction of Kalen Ratzlaff. Members of the band included Paul Lere, lead vocals; Beth Rasmussen, on the kazoo; Mary Dunker, keeping beat on her toy drum and Steve Ling on the toy piano. Cindy Drahota added spice to the act by tap dancing on the top of the tables. Lighting was provided by Brad Perkins, who accidentally received quite a shocker when he stuck his finger into an electrical outlet. He was saved by the quick thinking of Dr. Gerald Mellum and the great reflex action of well trained nurse Amy Kinney, Renee Bordwell, Deb Stubee, Shelley Landis, Pant Jenkins and Norma Polz.

Bartenders for the ten year reunion were Brent Rosenbrook, Tim Jenkins and Gary Beseke who some thought were the best qualified for the job. Carl Pieper acted as bouncer and saved the party from a tense moment when Mr. Erkern came to collect essays that had never been turned in.

Everyone was sad as the evening came to a close knowing that it would be quite a while before we would all be united again. With a few kisses good-bye and many tears shed, the ten year reunion of the class of '78 came to an end.

As your reporters left the parking lot we noticed the clean-up crew beginning to go to work. Members of the crew were: Mr. R. Verdell Abraham, Mrs. Roxanne Matthews, Mr. Tom Gibbons, Mr. Neal Skrenes and Barney Olson.

A.F.S. Students

Denmark is a country of 16000 square miles, 1 peninsula, 483 islands and a coast line of 4500 miles. Totally different from the Jackson area but in some ways the same.

My home town Copenhagen has a papulation of about 2 million people. In Denmark I have already finished my high school or as it is called folkeskole, my school had about 850 students when I left but it was built for 2500. My mom works as a kind of secretary in my grandpa's shop.

I would like to thank the city and people of Jackson for giving me the chance to learn about America and the rural area of Jackson.

Thanks,

Switzerland was mountains, cheese, chocolate, watches, foreign languages; but most importantly, people. The family I stayed with in the small village of Glarus was wonderful. The five kids were at work or school most of the time but we still found time to travel, hike, swim, shop, and go dancing together. My 17-year old sister and I went on a 10-day train trip through all of Switzerland, living out of a backpack and staying nights in youth hostels. AFS is a fantastic chance to not only meet new people and discover differences, but to understand and accept them as well. Thanks for sending me!

JHS 1977-78 Homecoming coronation ceremony began promptly at 8 p.m. Monday night.

The ceremony started with the introduction of the Fall athletic teams- Football, Volleyball, and girls' and boys' Cross Country.

The master and mistress of ceremonies, Dave Lovell and Donna Lesch, then proceeded to read an inspirational message to

HOMECOMING 1977

the athletes and everyone present.

Next began the introduction of the 1976-77 Homecoming king and queen, Curt Shellum and Liz Halloran. Following behind them was the sophomore attendant, Cindy Tewes, escorted by Joel Murray. Junior attendant Angela Meium escorted by Dan Bosshart were the next to walk down the aisle. The flower girl, Sara Murray, and crown bearer Greg Gees-

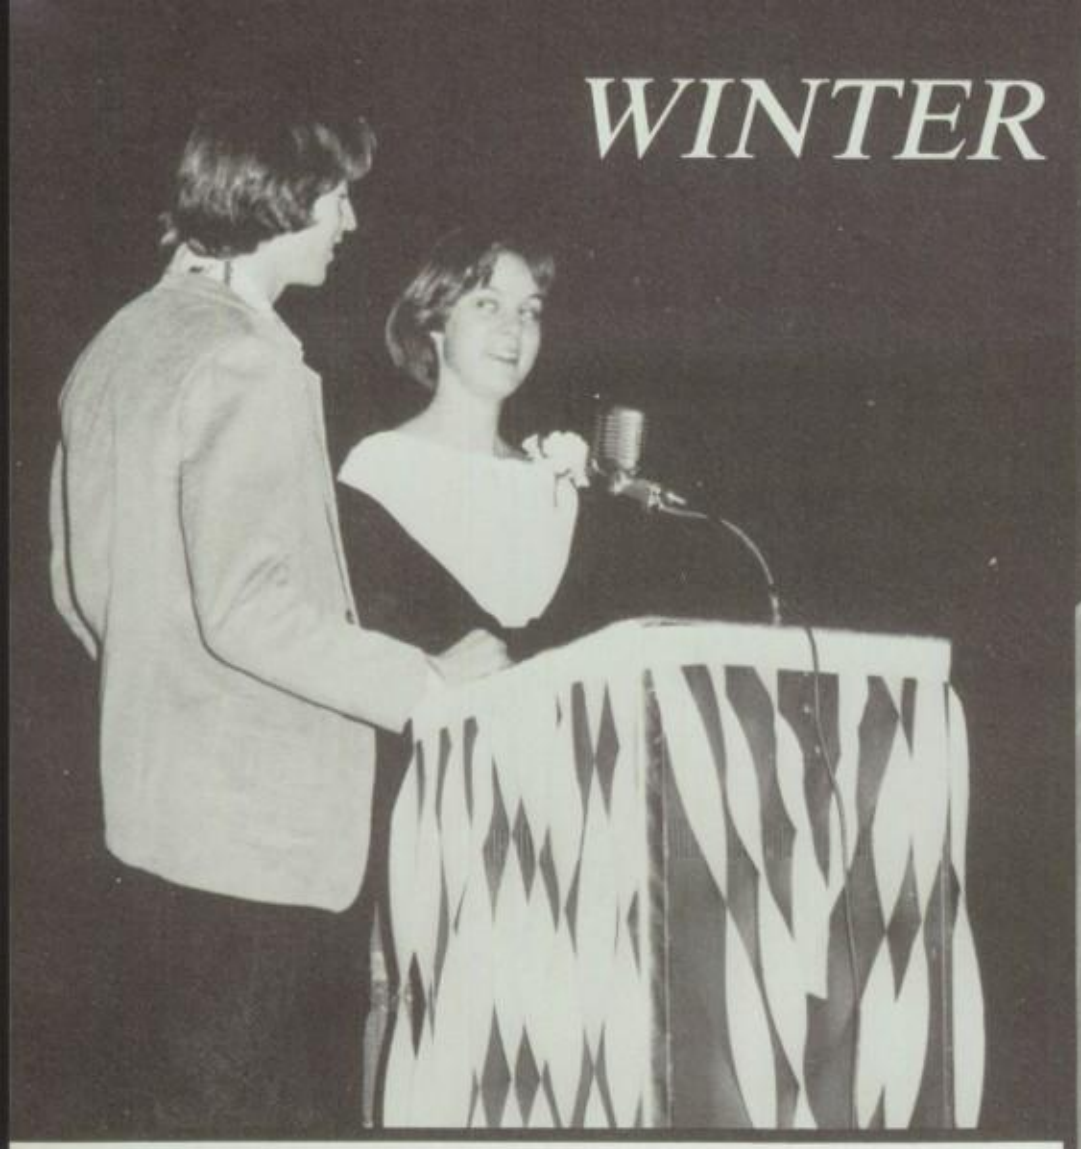
man then started down and up on the stage to their ''own little chairs.''

The King and Queen candidates for 1977-78 started out with Janell Swanson being escorted by Dave Spencer, Teresa Halloran escorted by Dave Cusman, Carolyn Krebs escorted by Tom Veverka, and Jan Mueller escorted by Ronald Bezdicek.

Next on the program were Nancy Cushman and Paul Lere singing ''If,'' with accompaniment by Lee Meacham, Jim Tusa, and Tammy Anderson. The music was provided by Jim Tusa, Lee Meacham, Mike Cushman, Kent Libra, and Dave Ellefson. They performed two songs, ''Life of Fame,'' by Mike Cushman, and ''The Lonely One.''

The crowd then grew very tense as the ultimate moment had come. Liz Halloran then walked over to crown the new Homecoming Queen, Janell Swanson. The crowd cheered, then once again fell silent, for Curt Shellum was about to crown the new Homecoming King-Ronald Bezdicek.

WINTER FEST 1978



Our 1978 Winterfest Week officially began Sunday, Jan. 29, at 2 p.m. Crowds gathered at the Jackson High School auditorium to watch the crowning of our new Winterfest king and queen. Baby blue and white streamers colored the stage and, "I Like Dreaming," which is the theme this year, twinkled above the heads of the 1978 Winterfest Royalty. Mistress of Ceremony, Lisa Erickson, and Master of Ceremony, Fran Connors, began the program with the introduction of the 1978 royalty. The 1977 queen, Beret Sandum, and king, Ken Vrchota, stepped into the gym as the lights dimmed and "Pomp and Circumstance" filled the room.

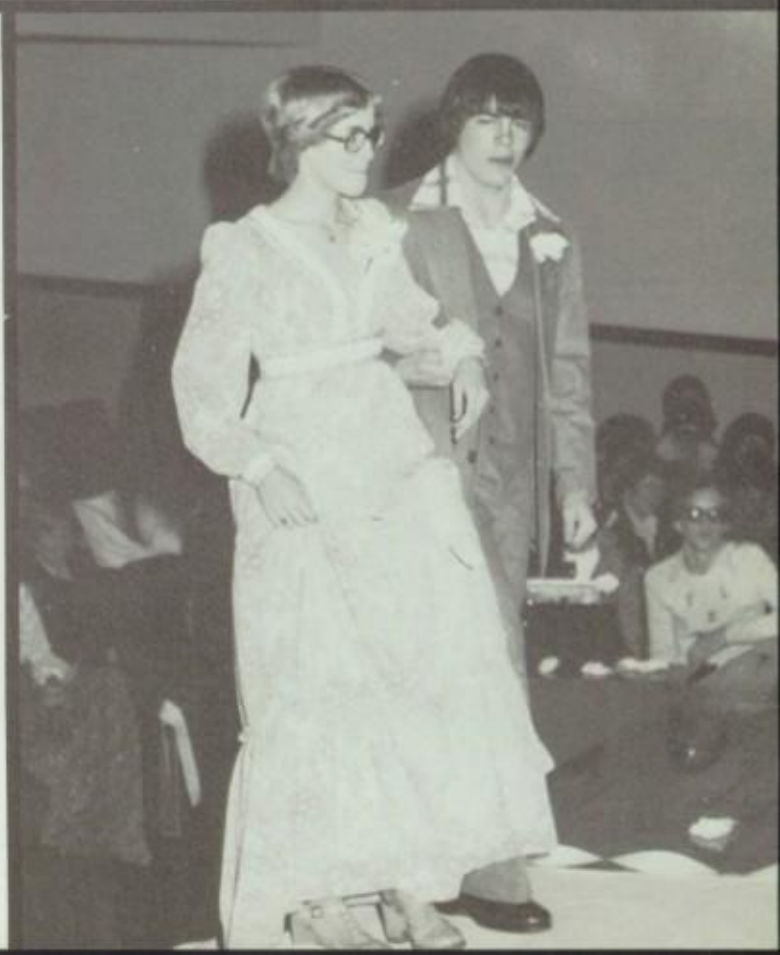
Jerry Schlager played the organ for the introduction and recessional. Next were the sophomore attendants, Kathy Bargfrede escorted by Bill Gannon. Following the sophomores came the Junior attendants, Barb Nelson escorted by John Miller. The tiny flower carrier, Kelly Brown escorted by Crown Barrier,

Travis Worshek, traipsed after the older couples. Then the AFS student, Steen Nitschke, escorted Angela Meium to the stage. The queen and king candidates were introduced. Lisa Kuntz escorted by Bruce Kruger, Donna Lesch escorted by Kevin Christopher, and Laurie Tange escorted by Kalen Ratzlaff.

Nancy Cushman provided the vocal entertainment. First she sang "You Light Up My Life." Tammy Anderson accompanied

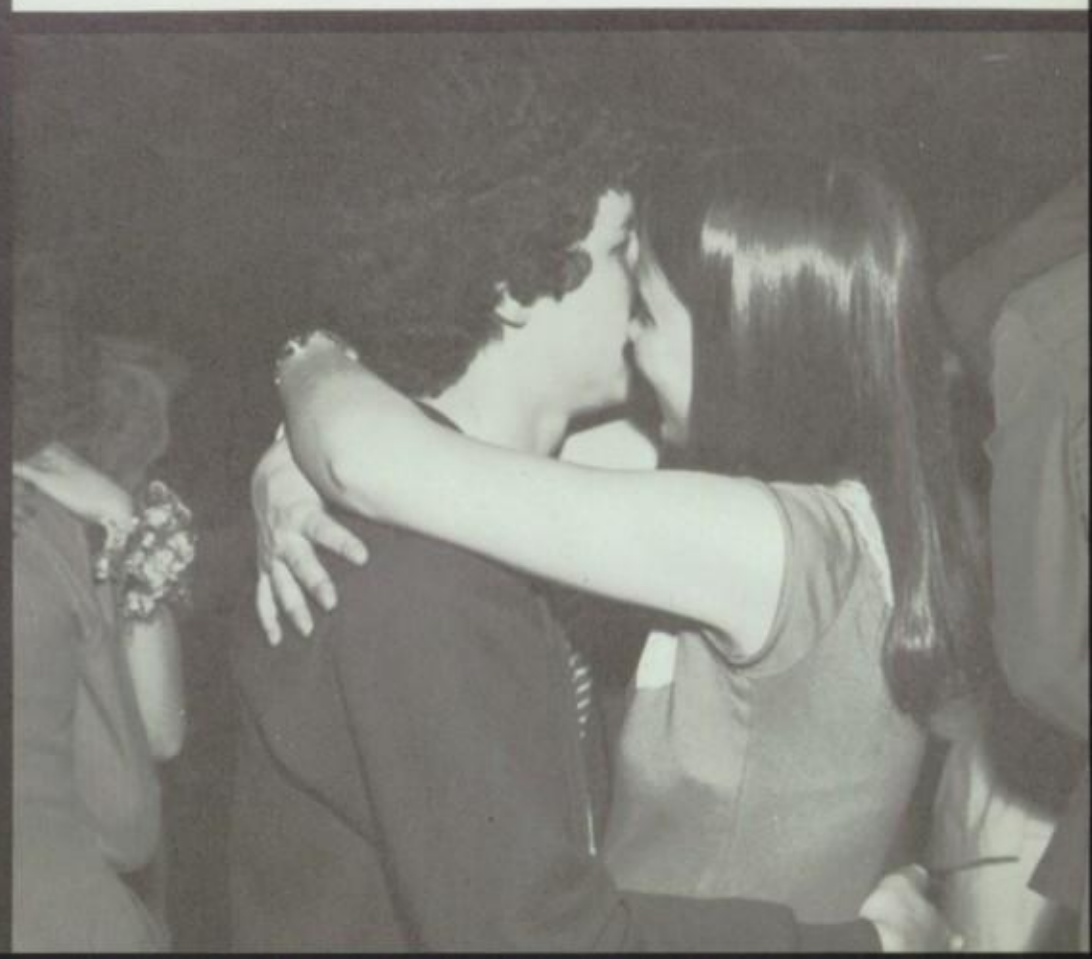
her on the piano.

The big moment had come. Nerves tensed and a silence covered the room as Beret stepped over to crown our new Winterfest queen. She dangled the crown over-head and rested it on Donna Lesch, our Winterfest Queen. Cheers rose from the crowd but were silenced again as Ken stepped over to crown the new king. When the crown was placed on the head of our 1978 Winterfest King, Bruce Kruger.



The Long And Winding Road

On April 29, many friends took a walk down ''The Long and Winding Road'' to the 1978 junior-senior prom. Under a ceiling of lavander, blue, yellow, & green, couples danced to the sound of ''the Gas Company,'' a popular area band. After an evening of dancing, everyone went their separate ways, only to meet again in the wee hours of morning for breakfast at the golf club. After it was over, there were many tired eyes but many more fond memories of a wonderful, dream-come-true, 1978 prom.



Graduation came around much too quickly for the 212 Seniors of the class of 1978 First came Baccalaurate. It started at 7:00 on Sunday, May 21st at the Good Shepherd Catholic Church. The Madrigals began the service by singing "Rejoice in the Lord." Pastor Tange gave a short, but meaningful pastoral address. The congregation followed by singing "Now Thank We All Our God." Selected students from the class gave responsive reading, scripture, and readings on the theme Faith, Hope, & Love. Bill Lere sang a special song written especially for the class of '78. Another speaker and a prayer then came "Senior Reflections" a special slide presentation. Pastor Cripe gave the Benediction and the seniors began their recessional. Circling the church, lighting candles and singing "Pass It On" was the content of the recessional. One step over! Senior Breakfast came next. Beginning at 7:30 a.m. on Wednesday, May 24, the senior mothers served delicious scrambled eggs, sausage, rolls, and juice. Kalen Ratzlaff provided the entertainment. Mr. Skrenes, Teacher of the Year gave a speech, and Mr. Olson presented the Scholarship awards. After breakfast came

practice for graduation then everyone headed down to the lake! Our most important step still lay ahead. Friday night came around quickly with everyone dressed in blue and light blue caps and gowns. Commencement services began at 8:00 at the Jackson High School auditorium with the band playing the processional as the seniors walked in. After everyone was seated, Pastor Lewis Davidson gave the invocation. Mr. Kuntz followed by giving honor cords to the honor students. The Concert Band then played a special song, "The Theme from Mahogany." Dave Spencer

COMMENCEMENT 1978

gave the introduction of the speaker, Rev. Ernie Mancini from Concordia College. After a well received message the Concert Choir entertained all with "Precious Lord, Take My Hand." Mr. Abraham stepped up next with the presentation of the class of 1978. Diplomas were given by Mary Lou Winzenburg. Pastor Davidson followed with the Benediction and all was over. The new graduates marched out as the band played a recessional. With nervous stomachs and tear filled eyes everyone left to face the real world.

The class motto chosen was:
"To achieve all that's possible,
We must attempt the impossible!
To be all that we can be,
We must dream of being more!"

Class colors were blue and ivory. The class flower was ivory rose with blue babies breath. The Class of '78 wishes to thank all our teachers, underclassmen, parents, and everyone else who helped to build all of our memories.

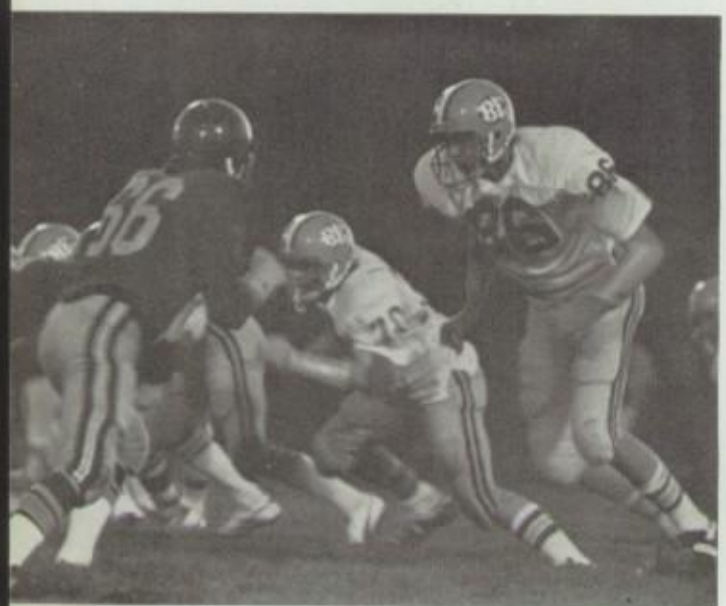
FOOTBALL



FOOTBALL 1977-78

Success is not always determined by a win-lose record. It is better measured by the attitude of the team and each individual player. Our team practiced like winners and played like winners. As a result, a positive attitude toward sports and athletic competition was developed. This positive attitude will be the foundation for the football success in our school in the years to come. A coach could not of asked for a better bunch of young men to work with.

Last fall, the first Jackson girls cross-country team was formed. Most of the girls had had experience in track. The new team took first in three of their six meets. Other than home meets, all the others were at Windom. Conference, district, and region at Windom, had these results: Conference teams included Redwood Falls, Marshall, Jackson, and Slayton and placed respectively. In district were Jackson and Windom. Region included nine towns but four teams were to compete. Kris Nasby went to state at the University of Minnesota. She was 98th of 163 with time of 13:14

The volleyball team on the whole had a very good season. They had a record of 6 wins and 6 losses. Not too bad for a team with only one returning starter, Mardi Hinton, and two other returning letter winners. It is also a very good record for our coach, Cindy Briscoe, who had never coached volleyball before and was also "the new kid in town."

The team worked very hard this year to get into shape. Coach Briscoe was there, of course to give us a little encouragement, "run those laps now, or run twice as many tomorrow." That usually did the job. After those first few days of shaping up came the real work on volleyball skills. The bump, set, and spike being the major skills worked on. After these skills had been mastered (?) the team worked on the service. Each year certain awards are given to members of the team showing outstanding qualities. The "Hustle" Award was given to Cindy

WRESTLING

The 1977-78 wrestling season resulted in many fine individual performances even though the team win loss record was not as desireable as we had hoped for. Some of the losses both varsity and B-squad were close where the match could have been won. One of the more rewarding parts and satisfying parts of the season was the regional tournament where two young wrestlers gave a fine performance. Their performance combined with the return of an excellent group of wrestlers give us the anticipation of success in the forecoming season.

Our girls gymnastic team is certainly one of the most successful athletic teams in the history of Jackson High and we haven't even been around that long! This is our third year and early in our season we were rated seventh in the state of the top twenty teams. On we went to winning 10 of 11 meets. Then came the big ones: conference, district and region. At the very top, Ellie Dunlavey competed in the state meet.

At conference, Jackson was second; 1.8 below Redwood Falls, but above Windom. Redwood Falls had improved considerably since our last competition together. District at Pipestone is where we took first.

The trophy is beautiful and was worth waiting for. In regional competition Jackson placed second, just under Fairmont. As a result of her third place on vault and second as an all-around, Ellie Dunlavey qualified for the state meet at St. Cloud. In preliminaries, she placed eleventh on floor exercise and twelfth as an all-around. The next day, Ellie danced to a placing of eighth on floor exercise among the top gymnasts in the state. Congrats, Ellie!

GIRLS TRACK

''All right. I'll give you just one command and then the gun ... Runners ready ... BANG!'' The 1978 girls track team was off running, jumping and throwing. Although the season got off to a wet start with several meets postponed because of rain, the season finally got underway. Running with the best team record at Jackson High, the four-year Girls Track District Champions will be giving it another shot at Windom. Past district meets have been ''too close for comfort'' even up to the very last event-the mile relay. This year Jackson placed a respectable 3rd.

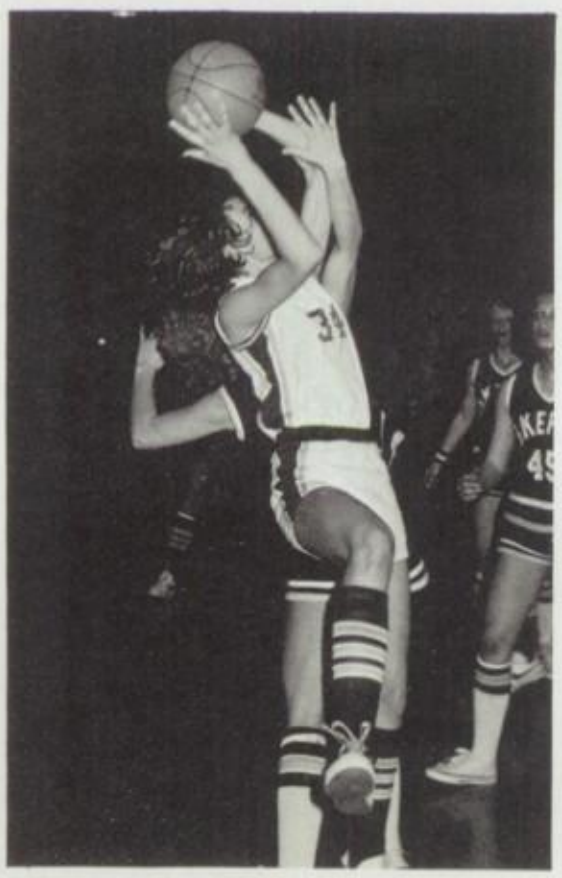
GIRLS BASKETBALL

The 1977-78 girls basketball team had the first winning season ever in the history of JHS. Sporting a 10-9 record, the girls went all the way to district finals.

The season opened up with a ''bang'' with the girls beating Fairmont. It was the first time a varsity squad from Jackson had beaten a Fairmont squad since anyone could remember. The season progressed with many ups and downs. One game the players will never forget is the upset over Worthington. It put them in a tie for second place in the Southwest conference and handed Worthington one of their three losses in the season. When tournament time came around the team

Front Row Left: Cheryl Johnson, Deb Stade, Jacki Lutterman, Paula Grunst, Mary Gilmore, Marcia Groshens, Cheryl Mosely. Back Row Left: Coach Jim Schmidt, Jan Mueller, Kelly Erickson, Lisa Erickson, Darlene Whisney, Vicki Mosely, Deb Stubbe. Absent Chris Sovcek.



looked well prepared, and had to be; as they were seated second in the district. The first round opened up against Windom with Jackson coming home the victor.

The second round was against the defending district and region champions, Heron Lake. The girls shone through again and came home the victors, only to prepare for the district finals. The night arrived and everyone played as well as they could only to come up a point short. (31-30) of District Champions. All in all, it was a terrific season for the girls basketball team of Jackson High School.

At the end of the season, Kelly Erickson was named to the All-Conference team and Lisa Erickson was awarded Honorable Mention. A good effort by all the members of the team proved a successful season.

BOYS GOLF

Mother Nature proud as formidable an opponent for the golf teams as did their early season competition. Battling wind, rain, and cold temperatures, boys' and girls' teams both got off to slow starts. As weather improved, however, so did the play of the Jays as they went on to compile respectable records and finish much more strongly then they began.

As president school for the southwest division, they hosted the annual divisional convention.

By holding workshops, panel discussions, and bringing in legislators, administrators, and other fine speakers, they were very successful with the convention. Other projects thru the year were the faculty Christmas breakfast, the Christmas lyceium, donating turkeys and a can drive for welfare, volleyball and basketball tournaments, senior citizens day and many other activities. The council officers this year were president, Julie Larson, vice-president, Gloria Bullock, secretary, Colleen Bargfrede, and treasurer, Carolyn Krebs. The play was directed by Mr. Brennan and Miss Robinson.
